RE: Assembly Bill 2897

This letter of support for Assembly Bill # 2897 is written on behalf of the Lodi City Council as a result of its June 15, 1994 Council meeting.

As you know, this legislation is a step in the right direction toward controlling the issuance of new, on-sale, retail and person-to-person transfer licenses by the Alcoholic Beverages Control. The bill would give local agencies and government an opportunity to provide additional input regarding applications for licenses. It will also afford the opportunity to deny licenses requested in over-concentrated areas, which is of great concern to our businesses and citizens within the community.

We would request that you represent the Lodi City Council and members of the Lodi community in supporting Assembly Bill 2897. Please do not hesitate to contact me if you have any questions regarding this letter of support.

With best regards!

Sincerely,

Jack A. Sieglock
Mayor

licensee, if the applicant for a hotel, motel, or other lodging establishment, as defined in subdivision (b) of Section 25503.16, a retail license issued in conjunction with a beer manufacturer's license, or a winegrower's license, if the applicant shows that public convenience or necessity would be served by the issuance.

(2) With respect to any other license, if the local governing body of the area in which the applicant premises are located determines that public convenience or necessity would be served by the issuance.

(c) For purposes of this section, the following definitions shall apply:

(1) "Reporting districts" means geographical areas within the boundaries of a single governmental entity (city or the unincorporated area of a county), that are identified by the local law enforcement agency in the compilation and maintenance of statistical information on reported crimes and arrests.

(2) "Reported crimes" means the most recent yearly compilation by the local law enforcement agency of reported offenses of criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny theft, and motor vehicle theft, combined with all arrests for other crimes, both felonies and misdemeanors, except traffic citations.

(3) "Population within the census tract or census division" means the population as determined by the most recent United States decennial or special census. The population determination shall not operate to prevent an applicant from establishing that an increase of resident population has occurred within the census tract or census division.

(4) "Population in the county" shall be determined by the annual population estimate for California counties published by the Population Research Unit of the Department of Finance.

(5) "Retail licenses" shall include the following:

(A) Off-sale retail licenses: Type 20 (off-sale beer and wine) and Type 21 (off-sale general).

(B) On-sale retail licenses: All retail on-sale licenses, except Type 43 (on-sale beer and wine for train), Type 44 (on-sale beer and wine for fishing party boat), Type 45 (on-sale beer and wine for boat), Type 46 (on-sale beer and wine for airplanes), Type 53 (on-sale general for train and sleeping car), Type 54 (on-sale general for boat), Type 55 (on-sale general for airplane), Type 56 (on-sale general for vessels of more than 1,000 tons burden), and Type 62 (on-sale general bona fide public eating place intermittent dockside license for vessels of more than 15,000 tons displacement).

(6) A "premises to premises transfer" refers to each license being separate and distinct and transferable upon approval of the department.

(d) For purposes of this section, the number of retail licenses in the county shall be determined by the most recent yearly retail license count published by the department in its Procedure Manual.

(e) The enactment of this section shall not affect any existing rights of any holder of a retail license issued prior to April 29, 1992, whose premises were destroyed or rendered unusable as a result of the civil disturbances occurring in Los Angeles from April 29, to May 4, 1992, to reopen and operate those licensed premises.

(f) This section shall not apply where the premises have been licensed and operated with the same type license within 90 days of the application.
